Earl Dotson

CEO

Audit was affirmed on Nov. 8th, 2016

This certificate certifies compliance by the above named facility with the applicable program requirements of the Hazard Analysis Critical Control Point audited by Validus. It is not intended to certify or imply the particular operating conditions or product within the facility at any particular time. This certification means that the facility has implemented all Hazard Analysis Critical Control Point requirements. This certificate is the property of Validus Verification Services LLC dba Validus, and must be surrendered upon request by Validus in conformance with the Hazard Analysis Critical Control Point program.
